### SARAH SWAFFORD RELATIONSHIPS: IT'S COMPLICATED Tuesday, April 9, 7 p.m. – 8 p.m. [Chapel]

Today's dating scene is more complicated than ever. Are you tired of the games, tired of the heartache, and exhausted from the drama? Do you feel the pressure to be perfect and the endless chase to keep up and not be left behind, or left alone? Sarah Swafford will help you encounter who Jesus calls you to be in your relationships. She will target this struggle within by setting forth a vision for virtue in the twenty-first century, one that focuses on beginning with the end in mind, building what will last, and staying off the "Emoticoaster." You can be in anticipation of a future relationship, in the middle of one, or in dealing with the aftermath of one that has ended. If you hope for a forever relationship, this event is for you!

Following, Sarah will transition to the devotion of Eucharistic Adoration from 8 p.m. – 8:30 p.m.

Sarah Swafford is the founder of Emotional Virtue Ministries. She speaks internationally on Emotional Virtue, Dating and Relationships, and Interior Confidence. She is a graduate of Benedictine College and has been involved in ministry for over ten years. For three years, Sarah worked as a Residence Hall Director at Benedictine College, taking care of 142 freshmen. That amazing experience gave her a front row seat into the hearts of women and men, giving her a deeper look into the struggles facing young adults today.

This event is sponsored by the Nicholas and Helen Rossi Center for Faith and Culture, helping college students live out their faith in culture.

### DR. WES ELY – FAITH AT THE END OF LIFE: INSIGHTS FROM THE ICU

Thursday, April 11, 7 p.m. – 8 p.m. [Multi-purpose room]

Dr. Wes Ely doesn't leave his faith at the ICU door. In his role as a critical care doctor in the ICU, he sees end-of-life issues just about every day. As a Professor of medicine at Vanderbilt University School of Medicine with sub specialty training in Pulmonary and Critical Care Medicine, his research has focused on improving the care, outcomes and dignity of critically ill patients. Dr. Ely has built the ICU Delirium and Cognitive Impairment Study Group, which has been active in research for more than 11 years. The group has paved the way in developing preventative and interventional strategies for delirium that have changed the way patients are cared for in the ICUs today. All are welcome!
