

# Newman Center Honor Roll

Contributors of \$100 or more to the Newman Catholic Student Center from July 1, 2016 to June 30, 2017.

Thank you to 947 donors who gave \$674,558 in support of Newman Center's mission in fiscal year 2016-17.

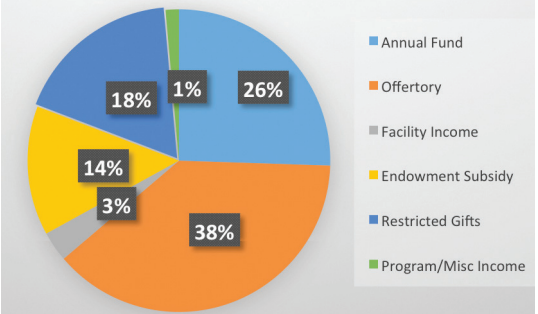

Annual Fund gifts from 402 donors received during that time period totaled \$210,847... almost \$26,000 above our goal of \$185,000!

Other large contributions to income were Offertory collections (\$316,051) and Restricted Gifts (\$146,786). Restricted income was largely the result of gifts to the newly created Louise Wolf-Novak Social Justice and Service Endowment and the Newman Singers. \$24,054 was given to fund the Alternate Spring Break Service Trip for 29 students; \$10,419 added to the Outreach and Education Endowment; \$8,752 to the Endowed Scholars and Fellows Fund. In good stewardship, our board continually monitors our endowed funds (\$5,320,497) to ensure optimum rate of return. Interest income earned in 2016-17 saw a double-digit increase over last year.

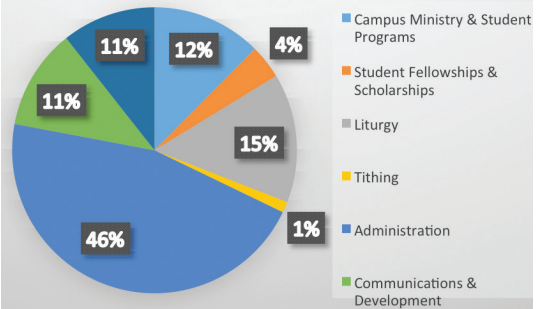

Operating expenses increased by 2% from previous year's expenses. Campus Ministry and Student Programs continue to be a focus; also a number of facility maintenance and upgrades were made. Because of YOU, Newman Center was able to offer 341 student activities in school year 2016-17. During that time we had 5,228 participants in service, faith formation, prayer and worship activities. We also awarded 36 various scholarships on behalf of our many benefactors.

We are so grateful for your financial investment in our mission. Together, our work has relevance today and value far into the future.

## 2016-17 Total Operating Income \$826,157

## 2016-17 Total Operating Expense \$826,157
